

THE FISCAL YEAR 2024 U.S DIVERSITY VISA LOTTERY IS NOW OPEN

What is the Diversity Visa Lottery?

The Diversity Immigrant Visa program—a.k.a. the green card lottery—is a government lottery program for obtaining U.S. Permanent Residence (green card). The program makes 50,000 visas available every year to applicants from countries with low rates of immigration to the United States and with specific education qualifications. It provides an inexpensive and relatively simple path to a green card, without needing sponsorship from a U.S. employer or family.

Who Can Apply?

To be eligible for the Diversity Immigrant Visa Program, you or your spouse must have been born in a country that sent less than 50,000 immigrants to the United States in the previous five years. DOS publishes a full list of the eligible countries on their website.

For the 2024 program, the following countries are **not** eligible to apply due to high rates of immigration to the United States:

Non-U.S. residents seeking to obtain a green card from an eligible country may apply regardless of whether they live in the United States or abroad. This includes foreign workers who are waiting to obtain a green card through the labor certification program.

When Can I Apply?

The entry submission period for the FY2024 Diversity Immigrant Visa program is from 12:00 pm (ET) on October 5, 2022, to 12:00 pm (ET) on November 8, 2022. The entry form will only be available for submission during this period. In years past, the last week of the registration period saw heavy demand on DOS's application website, causing website delays. Therefore, submitting your application as early as possible is encouraged.

How Do I Apply?

Entries must be submitted online through DOS's website. Paper entries are not accepted. Online applications are free, but visa processing fees may apply if selected. DOS releases detailed instructions on their website, which can be found here: <https://travel.state.gov/content/dam/visas/Diversity-Visa/DV-Instructions-Translations/DV-2024-Instructions-Translations/DV-2024-Instructions.pdf>
